Dear Mr. Meagher:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-Your report discloses \$1,281,383.02 in Operating Expenditures on Line 17, Column A, of the Detailed Summary Page. Each expenditure to a person, which in the aggregate is greater than \$200 for the election cycle, must be reported on Schedule B. "Person" includes an individual, partnership, corporation, association, and public or private organization — other than an agency of the United States Government. If necessary, please amend your report to provide a Schedule B or provide an explanation for this apparent discrepancy. (11 CFR §104.3(b)(4)(i)(A))

-Please provide a Schedule B to support the amount reported on Line 20(a), Column A, of the Detailed Summary Page. If the original contribution was itemized on a Schedule A of your current or previous report, the contribution refund or other offset to the contribution must be itemized on Schedule B. (2 U.S.C. §434(b)(5)(E) and 11 CFR §104.3(b)(4)(v))

Unlike previous election cycles, you will not receive an additional notice from the Commission on this matter. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. Requests for extensions of time in which to respond will not be considered. Failure to

provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1171.

Sincerely,
